When downloading and filling out the application, make sure you are always using the most updated version of the form available on the USCIS website. If you are applying for your STEM Extension, please use the STEM version.

It's best to use Google Chrome when viewing and typing in your responses. Thoroughly check after printing to ensure all fields are filled in accurately. In these cases, note it is acceptable to submit a form which is partially typed and hand written. Ensure you use black ink and print legibly when handwriting responses.
