

Why Should Your Office Be Part of the Sustainable Cougars Office Program (SCOP)?

Reasons to participate:

- Raise awareness regarding sustainability issues on campus
- Provide passionate/motivated office staff the ability to implement sustainability practices and solutions to everyday environmental challenges
- Show how one person can make a big difference with small personal actions/changes
- Reduce environmental footprint
- Through efficiency and conservation you can help save natural resources and money which is really important in these economic times
- Free cost to participate
- Great way to gain recognition for sustainability practices being implemented now

Benefits:

- Reduce campus environmental footprint
- Save CSUSM and your department/office money
- Help achieve Sustainability Master Plan goals
- Respond to the interest of students, faculty, staff, and surrounding community in sustainability.
- Be recognized on CSUSM school website and other avenues as SCOP certified
