**PROGRAMS OFFERED**

- Bachelor of Arts in Global Studies
- Minor in Global Studies

The Global Studies Program provides students with the opportunity to study international affairs from a variety of disciplinary perspectives. Whether pursuing the Major or the Minor, students can choose from an approved list of courses from Economics, History, Liberal Studies, Literature and Writing, Philosophy, Political Science, Sociology, World Languages and Hispanic Literatures, and Women Studies. The program allows students to specialize in one of five geographic regions: the Americas, Asia, Europe, the Middle East and North Africa, or Sub-Saharan Africa, and two of five global issue areas: Foreign Policy, Global Conflict and Cooperation, International Law and Human Rights, Global Political Economy and Development, and Gender in Global Perspective.

## **STUDENT LEARNING OUTCOMES**

It is the goal of the Global Studies Program that upon completion of a Bachelor of Arts in Global Studies a student will possess the specific abilities in the areas of knowledge (student learning outcomes 1-3), skills (student learning outcomes 4-8), and attitudes (student learning outcomes 9 and 10).

Following completion of the required curriculum students will be able to

1. Comprehend that his/her culture is one of many diverse cultures and that alternate perceptions and behaviors may be based in cultural differences.
2. Demonstrate knowledge and understanding of global issues, processes, trends and systems (i.e., economic and political interdependency among nations; environmental-cultural interaction; global governance bodies, non-governmental organizations).
3. Demonstrate knowledge of other cultures (beliefs, values, perspectives, practices, and products).
4. Use diverse cultural frames of reference and alternate perspectives to think critically and solve problems.
5. Comprehend and analyze global affairs from a variety of disciplinary perspectives.
6. Communicate in a second language in each of the four modalities: speaking (productive), listening (receptive), reading (receptive), writing (productive) at a high intermediate level.
7. Use second-language skills and knowledge of other cultures to extend his/her access to information, experiences, and understanding.
8. Use social scientific techniques to conduct research.
9. Appreciate the languages, arts, religions, philosophies and material cultures of different cultures.
10. Accept cultural differences and tolerate cultural ambiguity.

## **CAREER OPPORTUNITIES**

The Global Studies Program will be useful to students pursuing careers in international development, international organizations (e.g., United Nations), law, non-governmental organizations focusing on international affairs (e.g., Amnesty International, “think tanks” such as the American Enterprise Institute), government, graduate study in History, Political Science, and International Affairs, and education.

## **PREPARATION**

Prior to taking any upper-division coursework for the major, students are encouraged to complete, or be in the final semester of completing, all lower-division General Education requirements.

## **SPECIAL CONDITIONS FOR THE BACHELOR OF ARTS IN GLOBAL STUDIES**

All courses counted toward the major, including Preparation for the Major courses, must be completed with a grade of C (2.0) or better. A minimum of eighteen (18) units counted toward the major must be earned in residence at Cal State San Marcos. No more than six (6) units of internship, GBST 495, and/or independent study, GBST 498, credit may be counted toward the major. In order to graduate, all Global Studies Majors must successfully complete GBST 400 Senior Seminar, during their senior year.

All Global Studies Majors must meet a second-language competency requirement. This requirement can be met by completing an approved fourth semester language course with a grade of “C” or higher or by successfully passing a 4<sup>th</sup> semester level language competency exam given by the CSUSM Language Learning Center. If the CSUSM Language Learning Center does not offer a competency exam in a student’s second language, this student may request that the competency exam be conducted by the Berlitz Language Center. Students requesting this option must receive official approval from the Global Studies Program Coordinator before scheduling a Berlitz exam. International students may satisfy this requirement by meeting the university’s TOEFL requirement for admission. The list of courses that can be used to meet the second-language competency requirement are listed below:
