ARR

WHAT IS THE ARR?

- The ARR is a report that tracks the completion of ALL degree requirements in one document
- Lists all courses completed at CSUSM, courses in-progress, and any course or test credit completed off-campus submitted on official documents
- Changes and displays new information:
 - After registration
 - After grades are posted
 - After you declare or change your major/minor
 - After you submit transcripts with off-campus coursework

ACADEMIC REQUIREMENTS REPORT-ARR

- Used by Graduation Auditors in Registration & Records when processing your graduation evaluation.
- Available to both students and advisors in the same format. You now see exactly what your advisor sees.

WHERE IS THE ARR?

The screenshot shows the MyCSUSM website interface. At the top, there is a navigation bar with the MyCSUSM logo, the text "California State University SAN MARCOS", a search bar labeled "Search Web or Directory", and links for "Web", "Directory", "Index", and "Help". Below the navigation bar, there are two main columns. The left column contains several menu items: "Student Center" (highlighted with a red box), "Student Center Help", "Orientation Reservation", "My Booklist", "My Personal Information" (with sub-links for "Addresses", "Email Addresses", "Phones", and "Emergency Contact"), and "Catalog/Schedule of Classes" (with sub-links for "Course Catalog" and "Class Schedule"). The right column features a "Welcome CSUSM Students" header, a photograph of two students, and a "Welcome CSUSM Students and Applicants" section. This section includes text about customer service and instructions on how to use the Student Center and My Personal Information links. Below this, there is a dashed box containing a "Parking Permit" icon and a warning: "Before purchasing a parking permit please ensure your address information is up to date." Another dashed box below that contains a yellow triangle icon and the heading "Registration Waitlisting for Students", followed by text explaining the waitlisting process and providing information on where to find FAQs and Quick Reference Guides.
