VETERANS

BY THE NUMBERS

12%

of our student body composed of military-connected students

965

students certified for VA benefits

100%

job placement before graduation

\$5.5M

in federal grant funding to support workforce development

OUR MISSION

To holistically engage military-connected students to achieve "Grad Day + 1" goals.

- Seamless certification and benefits processing
- Academic and professional advising
- Professional Development

OUR VISION

We see student veterans crossing the stage with a diploma in one hand and a great job offer in the other.

HIGH-IMPACT EDUCATIONAL PRACTICES

Paid Internships

Professional Development

Whole Person Wellness

Success Seminar for Veteran and Military Students

Paid internships coupled with one-on-one mentorship and professional development is the key to guiding veterans into sustainable careers.

A program to educate the campus community regarding the unique strengths, challenges, and needs of military-connected students.

Nationwide for the past four years--the only university in California consistently in the top 25.
