

## 2019 MS SLP APPLICATION: STEP 2 INSTRUCTIONS

### YOUR SUPPLEMENTAL APPLICATION (Required)

Please review all instructions on this document BEFORE starting this step of your application packet. It should take approximately 5 - 20 minutes depending on how much information you will be reporting. Once you start this application, you will need to complete it in one session. The application link is located at the bottom of this document.

**Part 1: Personal Information.** Enter your full name and email address.

**Part 2: Volunteer and Leadership Experience.** We want to know about your volunteer experience and/or leadership roles. Please provide the relevant information for a maximum of three (3) experiences. This experience should have occurred outside of an employment setting and should be UNPAID. There will be an option to select N/A if you do not have any of these types of experiences.

**Each experience can only count in one category (Volunteer OR Leadership).**

**Part 3: Relevant Work Experience.** If you have worked in a paid position in a setting related to the field of speech-language pathology (e.g., education, medical, private practice, rehab facilities, etc.), please complete this part of the form. You may include a maximum of three (3) paid work related experiences. There will be an option to select N/A if you do not have any of these types of experiences.

**Part 4: Proficiency in Languages Other Than English.** Consider your ability to provide clinical services in a language other than English. For a full definition of proficiency levels, please reference [https://en.wikipedia.org/wiki/ILR\\_scale](https://en.wikipedia.org/wiki/ILR_scale). If you speak a language other than English, please complete this part of the form to indicate your level(s) of proficiency in each language for a maximum of three (3) languages. There will be an option to select N/A if you do not have any languages to report.

**Part 5: Video Prompt Response.**

- You will be uploading a Personal Video as part of this supplemental application. The video is intended to be an oral response to the 2018-2019 prompt (see below). Videos are meant to be an oral presentation and should not be read from a document or note cards. You should use your own words to respond. Plagiarism or the use of another's response as one's own is strictly prohibited. Your video is to be a maximum of 2 minutes in length. Once you have prepared your response, follow the instructions to record the video and upload the link using Option 1 or 2 below.
- You will also upload a Word document that includes the citation of the research you used to support your video response in the field provided. The reference(s) should be in APA format.

**2018-2019 Prompt**

***The parent of a client you are working with is convinced that vaccines caused her child to have autism. Please consider the research on vaccines and autism. Using that research to guide you, how will you respond to the parent? Your video should capture the exact response you would convey to the parent.***

**Record/Upload Option 1 - Using your cell phone and YouTube:** This method requires both a webcam/microphone and a YouTube account. Create a free Zoom account here: <https://www.zoom.us> . Click on "Host a Meeting - With Video on." Then click "Join Audio by Computer." Be sure before you start that the microphone and video are both working in the lower left corner of the Zoom program. When you are ready, click "Record," and end by clicking "Stop Recording." You will then click "End Meeting for All." Your recording will automatically be saved on your computer. Locate the file titled "zoom\_0." You will upload this file to YouTube. Make sure that the setting on YouTube enables the video to be viewed by others (i.e., make sure the URL is accessible). Please account for the amount of time that it will take to upload the video. Check the recording to make sure it is working before submitting.

**Record/Upload Option 2 - Using Zoom and YouTube:** This method requires both a webcam/microphone and a YouTube account. Create a free Zoom account here: <https://www.zoom.us> . Click on "Host a Meeting - With Video on." Then click "Join Audio by Computer." Be sure before you start that the microphone and video are both working in the lower left corner of the Zoom program. When you are ready, click "Record," and end by clicking "Stop Recording." You will then click "End Meeting for All." Your recording will automatically be saved on your computer. Locate the file titled "zoom\_0." You will upload this file to YouTube. The same caution applies with respect to the amount of time needed to upload.

**Copy/Paste Video Link:** Once you have uploaded your video to YouTube, copy and paste the link in the field provided. Make sure that the setting on YouTube enables the video to be viewed by others (i.e., make sure the URL is accessible). Please account for the amount of time that it will take to upload the video. Check the recording to make sure it is working before submitting.
