MULTIPLE SUBJECT CREDENTIAL PROGRAM

Full Time Day Program Begins Each Fall

- Authorization to Teach English Learners
- Bilingual Authorization: Spanish Emphasis

THE PROGRAM IS CALIFORNIA COMMISSION ON TEACHER CREDENTIALING (CCTC) AND NATIONAL COUNCIL FOR ACCREDITATION OF TEACHER EDUCATION (NCATE) APPROVED.

Requirements are subject to state and federal changes in credential law.

Admission into programs leading to licensure and credentialing does not guarantee that students will obtain a license or credential. Licensure and credentialing requirements are set by agencies that are not controlled by or affiliated with the CSU and requirements can change at any time. For example, licensure or credentialing requirements can include evidence of the right to work in the United States (e.g., social security number or tax payer identification number) or successfully passing a criminal background check. Students are responsible for determining whether they can meet licensure or credentialing requirements. The CSU will not refund tuition, fees, or any associated costs, to students who determine subsequent to admission that they cannot meet licensure or credentialing requirements. Information concerning licensure and credentialing requirements are available from CSUSM CEHHS Student Services, University Hall 221, (760) 750-4277.

Multiple Subject Credential with Authorization to Teach English Learners

FALL – FULL TIME

Full-time Multiple Subject Credential Program with Authorization to Teach English Learners

The Multiple Subject Credential Program is designed to prepare teachers to work with students in grades K-12 with responsibility for all subject areas in a self-contained and core classroom. Teachers holding a Multiple Subject Credential are most often assigned to preschool and elementary school classrooms.

The program has been specifically designed to prepare teachers for the diversity of languages often encountered in California public school classrooms. The authorization to teach English learners is met through the infusion of content and experiences within the Multiple Subject Program, as well as additional coursework. Students successfully completing this program receive the Preliminary Multiple Subject Credential with authorization to teach English learners.

A two-semester program, the Multiple Subject Program provides coursework in learning and instruction, content area methodology correlated with field experiences and clinical practice (student teaching) in conjunction with the authorization to teach English learners. The School of Education is specifically committed to providing students with opportunities to learn innovative teaching practices and put these methods to work with children.
