Concurrent Candidate Observation and Participation (O&P)

EDMX 570 & 571 Clinical Practice Experience Time Log

In conjunction with course participation and activities, credential candidates are required to complete Observation and Participation (O&P) time in their assigned clinical placement. During the weeks prior to full-time placement (usually 6 to 8 weeks), candidates are expected to spend the equivalent of one day per week in the clinical assignment. A minimum of 35 O&P hours must be documented using this form. Exceptions may be made for some intern candidates, with permission from the Clinical Placement Coordinator and Program Coordinator.
