

MASTER OF ARTS IN EDUCATION ADMINISTRATION

LEARN TODAY. APPLY TOMORROW.

PROGRAM OVERVIEW

The Master of Education Administration is a fully online program with a focus on K-12 education using a lens of cultural proficiency. Students also conduct meaningful field experience work in school settings. The entire program can be completed in 12 months, with class sizes kept to 25 students to ensure the highest level of interaction with faculty.

Students will develop skills in all aspects of practice related to:

- Leading an institution with values and focus on social justice
- Preparation for the Cal Administrator Performance Assessment with current Cal APA assessors
- Improving curriculum and instruction
- Creating an environment to nurture literacy and digital learning
- Managing budget, legal issues, and personnel
- Understanding and responding to data
- Engaging in sound theoretical and practical leadership philosophies
- Developing a culture of continual school improvement

CAREER OUTCOMES

Earning a Master of Arts in Education Administration would prepare for:

- Principal/Assistant Principal
- District Administrator
- Instructional Coordinator
- Educational Director or Supervisor
- Salary schedule move
- Teaching at the college level

V.8/2018
